Where the blue triangle means

THERE IS A PROGRAMME FOR EVERYONE to choose from. Here you will find a true sense of values expressed in good leadership, good fellowship, and good citizenship as well as the maintenance of a healthy mind and body, and an appreciation of the Christian Way of life. The ideas and ideals you absorb in your contacts at the Y.W.C.A. all tend towards the building of the girl of to-day, into the worthwhile woman of to-morrow. Exercise, skill games, handicrafts, archery, lectures, dancing, clubs, art, music and dramatics, etc., give all girls a well balanced programme.

THERE IS A MEMBERSHIP FOR EVERYONE. A Junior girls membership up to 18 yrs. of age for 50 cents, a regular membership for girls over 18 yrs. of age for one dollar, and a registrant membership for boys or men in special groups. Membership in the Y.W.C.A. means participation in the movement which is carrying on in nearly all countries of the world. Its foundations are stable and strong, and all members of this international organization are playing an increasingly important role in this post war world.

Where the blue triangle means

THERE IS A RESIDENCE for 32 young girls representing a varied group in the business world including office girls, industrial workers, nurses, teachers, domestics, hairdressers, waitresses, etc., all making it a democratic family. They elect their own house council and form house regulations. Rooms range from \$2.50 weekly up, with special rates for boarders. The use of a kitchenette for tea, an ironing room, and an attractive common room on each floor provide a homey atmosphere. Regular meetings and informal gatherings add to a congenial friendliness and understanding. Transient rooms are available.

THERE IS A PUBLIC CAFETERIA where girls, women and men enjoy meals in the sun room overlooking a terraced garden, or the Tudor panelled dining room. The outside terrace is used in season for eating out-of-doors. A dietician plans wholesome and attractive meals, and catering is done for groups, weddings, parties, dinners, etc., when space is available. A modern kitchen and smooth running cafeteria add to the efficiency, service and enjoyment of good food. LUNCH 12 - 1.30 o'clock —DINNER 5.30 - 7 o'clock.
